

See if your provider is in our network — or find a new one

You can locate a provider through **our provider search tool**, which is updated six days a week. Please keep in mind that the availability of any particular provider cannot be guaranteed.

Steps to locating a doctor

1. [Click here](#) to access the search tool.
2. Enter your ZIP code or city/state and click search. This will allow you to search the entire directory or search for a specific doctor.

The screenshot shows two side-by-side panels. The left panel, titled "Already a member?", has a "Login to Secure Site" button and a "Register Now" button. Below these are sections for "Why Register?" and "Searching as a member is better" with three bullet points: "Get results for your plan", "View cost estimates", and "Select a primary care doctor". The right panel, titled "Continue as a guest", asks for a "home location" and includes a "Look within" slider set to 25 miles, ranging from 0 to 100 miles. A "Search" button is at the bottom right.

3. Select plan choice — "Managed Choice® POS (Open Access)" under the "Aetna Open Access Plans" section and click continue to search for doctor.

- Pay less if you use a provider that accepts the plan
- Find the highest level of coverage from a provider under the plan
- Confirm doctors are accepting the plan

The "Select a Plan" interface includes a search bar and a filter instruction: "Enter plan name to narrow list below, e.g. Managed Choice". A section titled "Show all plans (including those not in my area)" lists plan categories with expand/collapse icons: "Aetna Whole Health Plans", "Aetna Standard Plans", and "Aetna Open Access Plans". Under "Aetna Open Access Plans", several options are listed with radio buttons: "Aetna Choice® POS II (Open Access)", "Aetna Health Network Only™ (Open Access)", "Aetna Health Network Option™ (Open Access)", "Aetna Select™ (Open Access)", "Elect Choice® EPO (Open Access)", and "Managed Choice® POS (Open Access)". The "Managed Choice® POS (Open Access)" option is highlighted with a yellow background.

4. Search by doctor name or select a category.
