

## HEDS Sexual Assault Campus Climate Survey 2022 Undergraduate Frequency Report Pace University

**Released 07/1/2022**

This report contains data on the responses of undergraduate students to each question on the HEDS Sexual Assault Campus Climate Survey.

Each data tab compares your students who took the survey during the 2021–2022 academic year to students at small institutions and large institutions that participated in the survey in the 2017–2018, 2018–2019, 2019–2020, or 2020-2021 academic years.

Schools with fewer than 4,000 undergraduate students are in the small institution group, and schools with 4,000 or more undergraduate students are in the large institution group. We have combined institutions that do and do not belong to HEDS in the data.

Pace University**

**Details about Incidents of Sexual Assault**

The data below are from students who indicated that they had been sexually assaulted. We asked students who had experienced one or more sexual assaults to describe, in detail, one assault. Please note, for victims who experienced more than one assault, this information pertains only to the assault the victims chose to describe.

**HEDS Sexual Assault Campus Climate Survey  
2022 Undergraduate Frequency Report  
Pace University**

**Technical Information**

This file summarizes data from approximately 52,000 students at 105 institutions in total, including 95 small institutions and 10 large institutions that administered the HEDS Sexual Assault Campus Climate Survey in the 2017–2018, 2018–2019, 2019–2020, and/or 2020–2021 academic years. We designated schools with fewer than 4,000 undergraduate students as small institutions and schools with 4,000 or more undergraduate students as large institutions. Although these institutions vary in size and come from diverse Carnegie Classifications, most are private and predominantly serve undergraduate students. This report focuses only on undergraduate students.

	Pace University		Large Institutions (2017–2018 to 2020–2021) <sup>2</sup>		Small Institutions (2017–2018 to 2020–2021) <sup>2</sup>	
	n	Response Rate <sup>2</sup>	n	Response Rate <sup>2</sup>	n	Response Rate <sup>2</sup>
<b>All Undergraduate Respondents<sup>1</sup></b>	963	12%	7,118	8%	13,508	17%

<sup>1</sup>The "All Undergraduate Respondents" group includes all students who submitted surveys, including those who did not identify as women or men.

<sup>2</sup>We calculated the response rate by dividing an institution's total number of submitted surveys by the number of invited participants. If a QR Code or General Link was used, no response rate is provided.

**Sexual Assault**

We have broken down responses to Q13—"Since starting at Pace University, have you been sexually assaulted while you were (a) on campus; (b) off campus at an event or program connected with Pace University, including study abroad and internships; or (c) at a social activity or party near campus such as at an apartment, restaurant, or bar?"—by class year. Students who answered "No" or "I suspect that I was sexually assaulted, but I am not certain" in Q13 skipped directly to Section Three: Bystander Behaviors (Branch One or Branch Two: Versions One, Two, or Three).

We combined data from Q15—"Where did the sexual assault occur?" shown to students who experienced one assault—and Q16—"Please mark how many incidents of sexual assault you have experienced at each of the following locations" shown to students who experienced multiple assaults—to capture where all the sexual assault incidents that students disclosed in this survey took place.

### **Details about Incidents of Sexual Assault**

Students who were sexually assaulted were asked a series of questions about details of the assault. These questions appear on the "Details about Incidents of Sexual Assault" tab. Students who were sexually assaulted multiple times were asked to focus on only one incident of sexual assault when answering these questions. The majority of victims of sexual assault experienced more than one assault, and information on this tab reflects the one assault they chose to describe, not all the incidents they experienced.

Students who answered "One person" in Q17—"How many people sexually assaulted you?"— saw Branch A. Students who answered "More than one person" or "I am not sure" in Q17, or who saw Q17 but did not respond, saw Branch B. Questions in Branch A and B are identical, but sometimes Branch B employs the plural form. We have combined questions from Branches A and B into the frequencies we show for Q18–Q34.

We combined data from Q15—"Where did the sexual assault occur?" shown to students who experienced one sexual assault—and Q25—"Where did the sexual assault occur?" shown to students who experienced multiple assaults—to show where the one incident of sexual assault that students chose to describe in this survey occurred.

### **Bystander Behaviors**

Bystander Branch 2 has three versions of Q1, Q2, and Q3. The first version is for students who suspect that they were sexually assaulted, the second version is for students who experienced an attempted sexual assault, and the third version is for students who suspected that they experienced an attempted sexual assault. We combined data from these three versions for each question in the Branch 2 section of the "Bystander Behaviors" tab.
