

NEW STUDENT ACCOUNT SETUP

Step 1: Activate your Pace Account

Part 1: Find your Username on [Pace Directory](https://directory.pace.edu/)

- Go to <https://directory.pace.edu/>
- Type in your first and last name and select **Only Students** from *Person Type* on the left side menu
- Click **Search**
- Click on your name to see your username

Part 2: Activate your account and create your password

- Go to adam.pace.edu
- Under *Can't Log In?* click **Account Activation**
- Enter your username
- If you have never logged in, your password will be your initials from your first and last name (lower-case), followed by a hyphen, and then your date of birth in MM-DD-YYYY format.

For example, if your name is John Smith, and you were born on January 3, 1990, your default password would be js-01-03-1990

Once you log in, you must create a new password for yourself. Use numbers, letters, symbols, and at least 8 characters.

- After you create your password, please set up 2 security questions

Having a problem with your Pace account?

[Contact the ITS Helpdesk](#) for assistance with your Pace account.

ACTIVATE DUO MULTIFACTOR AUTHENTICATION

Step 2: Setup Duo Multifactor Authentication

All students must enroll in Duo Multifactor Authentication. [Follow instructions on page 11 or the website.](#)

Duo Multifactor is a two-factor authentication that enhances the security of your account by using a secondary device to verify your identity. This prevents anyone but you from accessing your account, even if they know your password.

You can enroll one or more Apple, Android, and Windows mobile devices (smartphones, tablets) for Duo Multifactor Authentication (MFA) by going to www.pace.edu.edu/duo

Having a problem with Duo?

[Contact the ITS Helpdesk](#) for assistance with your Pace account.

REVIEW CLASS SCHEDULE

Step 3: Review your Class Schedule

New York City, Westchester Students

- Go to **MyPace Portal** at <https://portal.pace.edu/>
- Login with your Pace username and password
- Click on the **Students tab** in the MyPace Portal
- Go to the **Registration & Scheduling** section under the Navigation section
- Click the **Register for a Class** link
- Click **Register for Classes** on the next screen
- Select the term/session you wish to view from the drop down menu
- Click **Continue** to access your course schedule

Online Students

- Go to Classes at <https://classes.pace.edu/>
- Login with your Pace username and password
- Click on your course
- Look for the **Meeting Information** and **Announcements** section to view your Zoom link and Zoom password

Having a problem with your Pace account?

[Contact the ITS Helpdesk](#) for assistance with your Pace account.

Have a question about your schedule?

[Contact the English Language Institute](#) for assistance with your class schedule.

UPLOAD PACE UNIVERSITY SECURITY PHOTO

Step 4: Upload Pace University Security Photo

New York City, Westchester Students

All students studying in New York City or Westchester must upload a photo for security purposes. The security photo will be used to create a Pace ID card for students studying in New York City or Westchester.

You do not need to use a passport photo, however, if you take your own photo please be sure it is similar to the passport photo style. [Review photo guidelines.](#)

Go to the [Online Photo ID Submission website](#)

- Click the **login** link
- Login with your Pace username and password
- Click Profile (top left)
- Click Submit New Photo
- Upload your photo/take a new photo (click add photo or drag photo into place)
- Click submit
- Check your [Pace email](#) for **two messages**:
 - Message 1: **Receipt** that your photo was uploaded
 - Message 2: **Approval** that your photo has been accepted, or, notice that your photo did not meet the requirements and you will need to upload a new photo

Students studying in New York City or Westchester may pickup their ID card at the ID Office during regular office hours. [Learn more.](#)

Online Students

Online students do not need to upload a Security photo. If you register for an on-campus course in the future, you will need to upload a Security photo to receive a Pace ID card and access campus.

Having a problem with your Pace account?

[Contact the ITS Helpdesk](#) for assistance with your Pace account.

IMPORTANT PACE WEBSITES

Pace Student Email

email365.pace.edu

**Preferred internet browser: Google Chrome*

How frequent do you need to check your Pace Email? Daily!

Pace Email helps you to:

- See announcements from the ELI Office and your ELI Instructors
- Send e-mails to your Instructors or the ELI Office
- Communicate with your classmates
-

You can download the **Microsoft Outlook app** on your smartphone to access your email easily.

Your Pace e-mail address is your username followed by @pace.edu. For example, if your username is dl75877n, your e-mail address would be dl75877n@pace.edu.

Classes

classes.pace.edu

**Preferred internet browser: Google Chrome*

How frequent do you need to check Classes? Daily!

All ELI students will need to access Classes to complete assignments and activities for their course. In Classes, you will:

- See your course location and/or Zoom access link (if applicable)
- Check information and announcements from your ELI courses
- Communicate with your instructor and classmates
- Submit assignments to your instructor
- See grades for individual assignments (**not** your Final Class Grade)
- Download homework

Classes is an online extension to your ELI courses. For learning resources for courses, please visit <https://www.pace.edu/its/learning-management-system/resources>

PACE PORTAL ACTIVATION INSTRUCTIONS

What is MyPace Portal?

MyPace Portal is a website that gives you access to information about payment, your class schedule, class grades, and much more. ELI Students are required to activate their Pace Portal Account before taking the beginning of classes.

How do I access my MyPace Portal Account?

First, you will need to activate your account and set up your password. Then, you will set up your secret questions which are helpful in the future if you have to change or reset your password. This username and password will be used for all your Pace accounts including the Portal, E-mail, Classes. Any future password changes will apply to all of these accounts.

To get started, follow these instructions.

STEP 1: Find your Username on Pace Directory

- Go to <https://directory.pace.edu/>
- Type in your first and last name and select **Only Students** from Person Type on the left side menu.
- Click Search
- Click on your name to see your username

The screenshot shows the Pace University White Pages search interface. On the left, there is a search form with the following fields and options:

- Name:** A text input field with a yellow box around it.
- Person Type:** A dropdown menu with 'Only Staff and Faculty' selected, highlighted with a yellow box.
- I'm not a robot:** A checkbox option.
- Search:** A button with a yellow box around it.
- Clear:** A button next to the Search button.

The main content area displays search results for 'Instructions' under the 'White Pages' section. The results include:

- Need to contact a current Pace student, faculty member, or staff member?** Use the form at the left to search the Pace University White Pages.
- Are you a student looking for your username?** Select "Only Students" in the "Scope" to the left, and then type in your first and last name.
- Need to contact a fellow Pace alumni?** Search Pace's Alumni Network online directory (registration is required).
- Interested in a career at Pace?** Search Careers@Pace.
- Need more information about a school or program?** Visit Admissions or fill out our online request form to Request more information.
- Not sure who to call?** You can call the Pace Information Center at (855) PACE-311. You can also try our BETA automated lookup at (914) 597-8600.

- After receiving results, click on your name

Note: If your name does not appear, you may also try typing only your Last Name in the name and select **All students**

STEP 2: Create a new password

- Go to adam.pace.edu to get to the Apps/Downloads/Account Management site
- Click Account Activation (right-hand side)

PACE PORTAL ACTIVATION INSTRUCTIONS

The screenshot shows the Pace University ADAM portal. The main heading is "Apps, Downloads & Account Management". On the left, under "Apps & Downloads", there are links for Microsoft Office, Microsoft Lync, Java Runtime, and Microsoft Security Essentials. On the right, there are links for "Can't login?", "Account Activation", "Password Reset", "Account Unlock", "Account Management", "Email Forwarding", "Password Change", and "Security Questions". The "Account Activation" link is circled in yellow.

STEP 3: Begin Activation

The screenshot shows the "Account Activation" page. It includes the heading "Account Activation" and the following text:

What is activation?
Activation of your account involves setting up your password, and then choosing two secret questions and answers.

Do I need to activate my account?
If you have ever successfully logged into any website with your MyPace account, you do not need to activate your account.

How do I activate my account?
When you click the link below, you will be prompted to log in and you will be given information to use as your username and password. After logging in, your password will expire, and you will be asked to create a new one.
After setting up your password, you will then be asked to set up two security questions, which will be used in the event that you forget your password.

At the bottom of the page, there is a button labeled "Begin Activation" with a blue arrow icon, which is circled in yellow.

PACE PORTAL ACTIVATION INSTRUCTIONS

- Type your MyPace Portal Username in the Username textbox
- Type your Default MyPace Portal Password in the Password textbox

Your default MyPace Portal Password is your first and last initial and a hyphen, followed by your birthday in this format: MM-DD-YYYY. (If your birth date only has one digit, add a zero to the number.) Example: John Doe, DOB=January 1, 1990 = jd-01-01-1990

(You must add a hyphen)

- Click Log In

The screenshot shows a web browser window with the URL <https://aspnetweb.pace.edu/adam/login.aspx?ReturnUrl=%2fadam%2fChangeQuestions.aspx%3fgoto%3dActivated.aspx&goto=Activated.aspx>. The page header is 'PACE UNIVERSITY'. The main content area is titled 'Apps, Downloads & Account Management' and includes a 'Login | ADAM Home' link. A message reads 'Please log in using your default username and password.' Below this are instructions for Username and Password. The Username field is circled in yellow. A 'Log In' button is located below the password field.

- Type your Default MyPace Portal Password (Example: jd-01-01-1990)
- Type your New MyPace Portal Password
- Your password...
 - must not contain more than 3 consecutive characters of your first name, last name, or username
 - must be 8 or more characters long
 - must contain at least one character from three of these four categories:
 - UPPERCASE characters (A, B, C, ...)
 - lowercase character (a, b, c, ...)
 - numbers (1, 2, 3, ...)
 - special characters (! * + - / : ? _ # \$)
- (i.e. must have at least one uppercase letter, one lowercase letter, and one number)
 - cannot be your name or consecutive numbers
 - cannot be changed more than once every 24 hours

PACE PORTAL ACTIVATION INSTRUCTIONS

- Confirm your New MyPace Portal Password
- Click Change Password and then click Continue
- Answer two different Security questions. (Answers are all case sensitive.)
- Click Save and then click Continue
- Click Logout in the upper right hand corner.

You are all set! Your Pace Portal Activation is complete now.

DUO MULTIFACTOR AUTHENTICATION

Faculty, staff and students can enroll one or more Apple, Android, and Windows mobile devices (smartphones, tablets) for Duo Multifactor Authentication (MFA). The instructions below apply to first-time device enrollment.

If you already have at least one device enrolled, but would like to add or make changes, please go to [Manage Your Devices](#) article for further instructions.

Step-by-step guide

If you have not yet enrolled a device in Duo, please follow the instructions below:

- Go to www.pace.edu/duo (you don't need to be on the Pace internal network)
- Type your **MyPace username** and **password** in the fields and click **Sign in**

Duo Multifactor Device Enrollment

Pace faculty and staff may login to enroll a new device or to manage an existing device for multifactor authentication

Please sign in with your Pace University username and password to get access.

DUO MULTIFACTOR AUTHENTICATION

- Click **Start setup**

The screenshot shows the 'Protect Your Pace University Account' page. On the left is the Pace University Information Technology Services logo with links for 'What is this?' and 'Need help?'. The main heading is 'Protect Your Pace University Account'. Below it, text explains that two-factor authentication enhances security by using a secondary device. A green 'Start setup' button is prominently displayed.

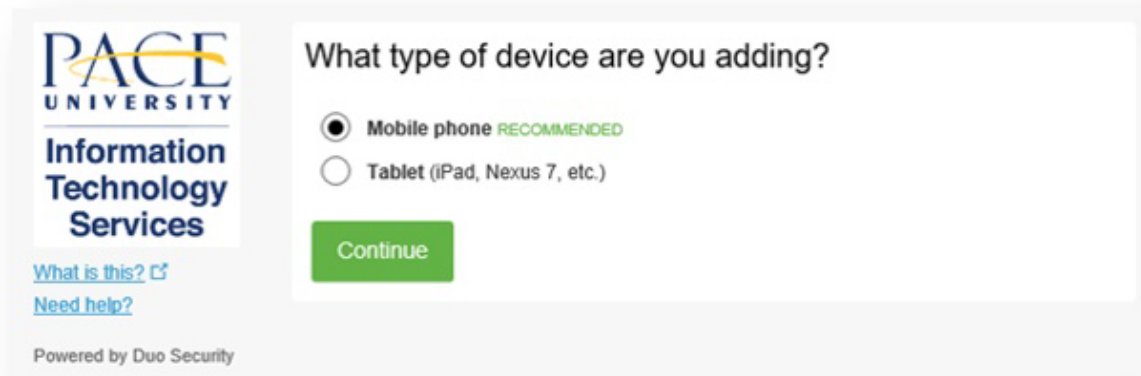

Protect Your Pace University Account

Two-factor authentication enhances the security of your account by using a secondary device to verify your identity. This prevents anyone but you from accessing your account, even if they know your password.

This process will help you set up your account with this added layer of security.

Start setup

- Select the type of device, Mobile phone or Tablet and click **Continue**

The screenshot shows the 'What type of device are you adding?' page. It features the Pace University logo and a radio button selection for 'Mobile phone RECOMMENDED' and 'Tablet (iPad, Nexus 7, etc.)'. A green 'Continue' button is at the bottom.

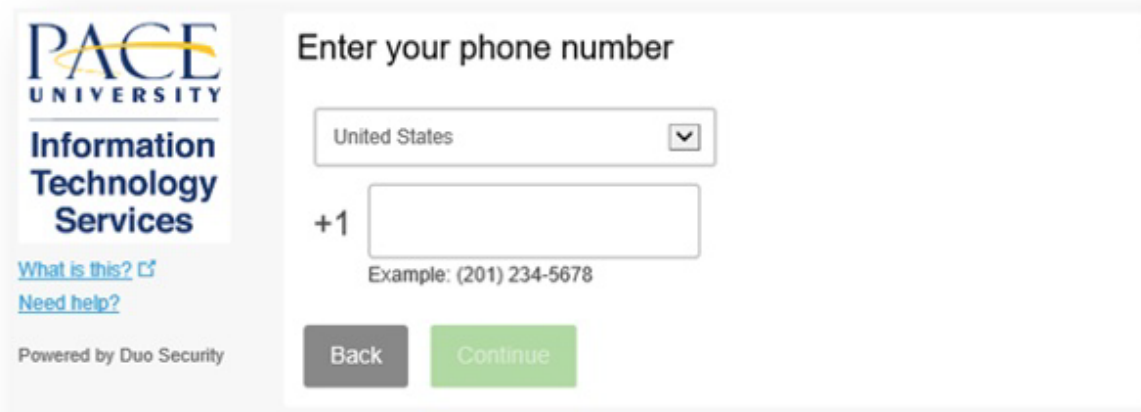

What type of device are you adding?

Mobile phone **RECOMMENDED**

Tablet (iPad, Nexus 7, etc.)

Continue

- If you are enrolling a phone, type ten digit phone number.

The screenshot shows the 'Enter your phone number' page. It includes a dropdown menu for 'United States', a text input field with a '+1' prefix, and an example '(201) 234-5678'. 'Back' and 'Continue' buttons are at the bottom.

Enter your phone number

United States

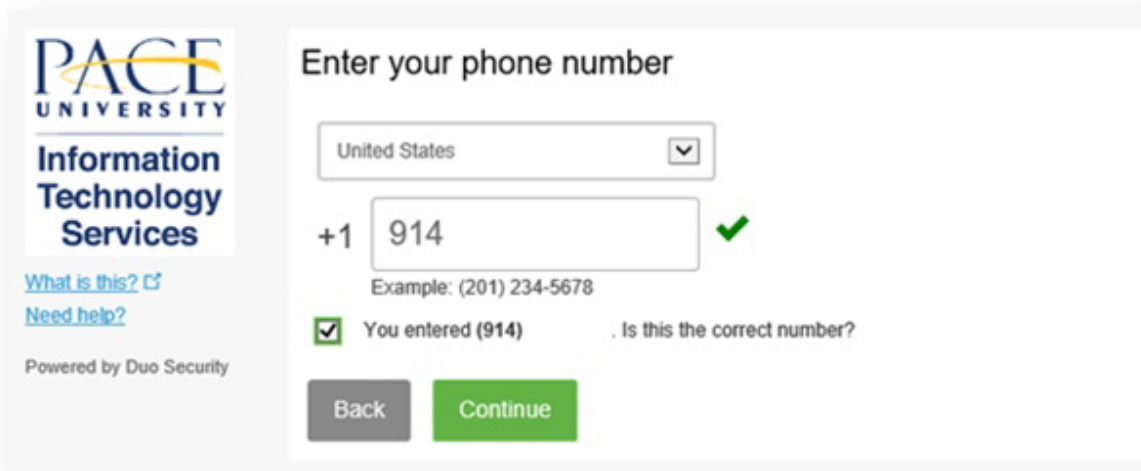

+1

Example: (201) 234-5678

Back **Continue**

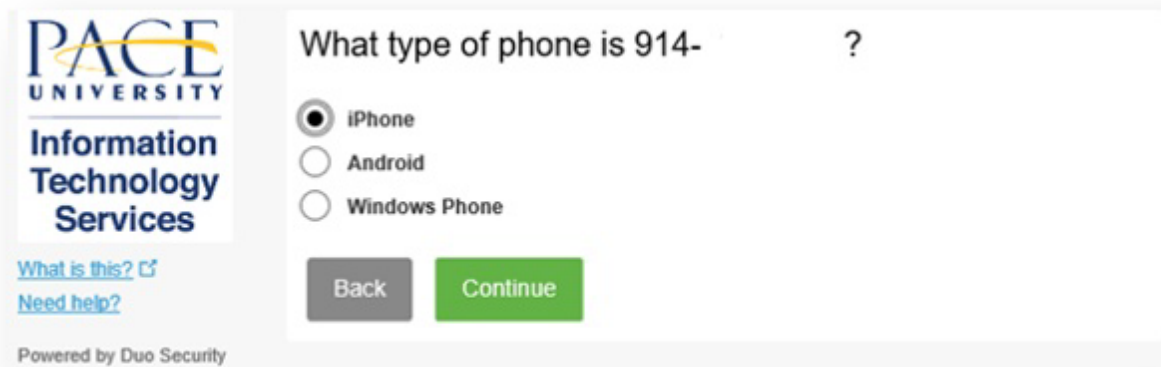

DUO MULTIFACTOR AUTHENTICATION

- Double-check your phone number, Click the check box to confirm the number is correct and click **Continue**

The screenshot shows the Duo Multifactor Authentication interface for PACE UNIVERSITY Information Technology Services. The main heading is "Enter your phone number". Below this, there is a dropdown menu for the country, currently set to "United States". A text input field contains the number "+1 914", with a green checkmark to its right. Below the input field, it says "Example: (201) 234-5678". A checkbox is checked, and the text next to it reads "You entered (914) . Is this the correct number?". At the bottom, there are two buttons: "Back" and "Continue".

- Select *type of device* being enrolled and click **Continue**

The screenshot shows the Duo Multifactor Authentication interface for PACE UNIVERSITY Information Technology Services. The main heading is "What type of phone is 914- ?". Below this, there are three radio button options: "iPhone" (selected), "Android", and "Windows Phone". At the bottom, there are two buttons: "Back" and "Continue".

- If you have not yet installed the **Duo Mobile app** on the registered device,
 - Go to your device's App Store and search for **Duo Mobile**
 - Tap Get or Install and then Install or Accept to download the app
