1. Introduction

The Pace University Travel Card Program provides a convenient and efficient method of paying for travel related expenses on behalf of Pace University. The Purchasing and Contracts staff is available to assist with all aspects of Travel Card ownership and look forward to providing a high level of customer service to all of those involved.

Who Can Get a Travel Card (Cardholder Eligibility)

Pace University employees who have been identified and approved by their Business Representative as needing to spend Pace University funds for items allowed on the card can acquire a Travel Card. Students are not eligible for the travel card. The Business Representative should consider individuals who are responsible and organized and who are also:

- Permanent employee of Pace University
- Pace University support personnel who actually acquire the merchandise or service
- Currently spending Pace University funds on a regular basis via other methods
- Submitting travel and expense reimbursement requests on a regular basis for business spending

7. Cardholder Liability

The Pace University Travel Card Program carries corporate, not individual liability. As a result, a central invoice is processed and the Cardholder is not required to pay the amount shown on their monthly statement using their personal funds. This is a corporate charge card which **will not** affect the Cardholder's personal credit. However, it is the Cardholder's responsibility to ensure that the card is used

within the stated guidelines of Travel Card Policies and Procedures manual. No personal credit is checked since the bill is paid directly by Pace University every month.

8. Application Process

How to Apply

Travel cards are issued to employees who are approved for a card.

1. Complete Cardholder Account Setup Demographics Form on U.S. Bank Access Online.
2. A complete Cardholder Agreement Form must be submitted for each prospective Cardholder. This form must be signed by the Cardholder applicant and Business Representative and then forwarded to the Program Administrator.

Cardholder Agreement

A Cardholder Agreement is required from each cardholder applicant. As part of the application process, an applicant will be expected to read it in full. By submitting the Cardholder Agreement the Cardholder Applicant and Business Representative agree to the terms and conditions of the Agreement. 9. Travel Card Security/Storage of the Card

The Travel Card has all the functionality of a Visa credit card. The Cardholder must maintain the Travel Card in a secure location at all times, preferably in their possession. The card should not be stored in a filing cabinet or desk. If the card is ever lost or stolen, it must be reported to U.S. Bank immediately, even on weekends or nights. Call 1-800-344-5696 to report a lost or stolen card 24 hours a day 7 days a week.

10. Travel Card Guidelines

The Cardholder is responsible for making purchases that are in compliance with all Pace University Policies and Procedures in place at the time of purchase.

1. Cards have a default limit per monthly cycle which has been established based on the type of Cardholder usage. The monthly credit limits will be \$5000 for both the Travel and Purchasing cards with the exception of the university recruiters and executive cardholders. A written request to the business card administrator for an alternate credit limit will be required for consideration and approval. In signing this authorization you are authorizing the standard credit limit and agreeing to responsibility for ensuring your

transactional activity does not exceed your organizations fiscal year budget availability. The Cardholder can check with their Business Representative for allowable dollar expenses.

2. The Travel Card is to be used only for a purchase which is in accordance with policy and procedure. The Program Administrator will adjust monthly limits as determined and approved by the Cardholder's Business Representative, who has the proper authority, adheres to the current fiscal year budget and in accordance with Travel Card Policies and Procedures.
3. The Travel Card **must never** be used to purchase items for personal use or for non-university purposes even if the Cardholder intends to reimburse the University.
4. A Cardholder who makes an unauthorized purchase with the Travel Card or uses the Travel Card in an inappropriate manner will be subject to disciplinary action including possible card cancellation, termination of employment at Pace University and criminal prosecution.

11. Supplier Blocking/Merchant Category Codes

Merchants operate under a four digit code (Merchant Category Code or MCC) which identifies them as a particular type of supplier. The Travel Card automatically blocks certain merchants this way. Therefore some vendors will be blocked on the card such as cash, jewelry, gambling and other high-risk areas of purchase.

Transactions will be blocked at the point-of-sale for unauthorized suppliers. Changes to the blocking list can be made as demonstrated by a business need. A Cardholder should contact their Business Representative who will need to approve the request before asking the Program Manager to change the blocking list associated with the Cardholder's profile at U.S. Bank.

If you experience a card denial, please call the bank at 1-800-344-5696 or Procurement Services at 914-923-2642.
