

# GET AHEAD IN NEW YORK

# TWO NEW YORK LOCATIONS BOUNDLESS OPPORTUNITY

## New York City Campus

**The city is your campus:** The iconic skyline right outside your window and the hustle and bustle on the streets below. That's your campus. From Times Square to Central Park, you could spend the next four years exploring NYC and never have the same experience twice.

**The city is your classroom:** At Pace, learning extends beyond the classroom walls. With dedicated professors and the Big Apple as your backdrop, you can achieve anything. Explore finance at the stock exchange, engage in diplomacy at the UN, participate in hackathons at Google. The opportunities are endless.

**We've transformed our campus just for you:** Brand new student spaces for you to explore your interests and make lifelong friends. Residence halls on Broadway and overlooking the Brooklyn Bridge. We're here for YOU—and these new spaces reflect that.

**New on both campuses: competitive and intramural Esports teams.**

# NEW YORK CITY

# WESTCHESTER

## Westchester Campus

**State-of-the-art campus:** We've invested significantly in our 200-acre campus to build ultramodern academic, research, residential, and athletic facilities, as well as a renovated and expanded student center. You'll love where you live, learn, study, eat, and play.

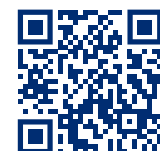

**Opportunity is close by:** Internship possibilities abound, with Fortune 500 companies such as IBM, NBC Sports, and MasterCard operating alongside emerging start-ups. Plus, NYC is just a short train ride away.

**Vibrant and diverse campus life:** If you're looking for a close-knit community and an active campus with 60+ student clubs and organizations—including fraternity and sorority life, cheerleading, dance team, and pep band—you've come to the right Pace campus.

**Pace NCAA Northeast-10 sports teams include:**

**Men's sports:** Baseball, Basketball, Cross Country, Football, Lacrosse, Swimming and Diving.

**Women's sports:** Basketball, Cross Country, Field Hockey, Lacrosse, Soccer, Softball, Swimming and Diving, Volleyball.

# LAUNCH YOUR CAREER IN NEW YORK

**Access industry-leading career support, real-world experiences, networking opportunities, and professional mentoring.**

**INSPIRE:** Pace's International Student Professional Readiness Education program (INSPIRE) will help get you career-ready and connect you with employers for internships and full-time positions. INSPIRE members also receive special invites to career panels, networking events, and in-person workshops.

**Work in the US after graduation:** Pace will help you navigate one of the major benefits of studying in the US: the chance to get paid work experience related to your degree while on your student visa. Optional Practical Training (OPT) allows you to work anywhere

in the US for 12 months after you graduate. Students in STEM majors can extend their OPT to 36 months.

**Intern for a company or organization:** Curricular Practical Training (CPT) provides an avenue for eligible F-1 visa international students to gain similar work experience.

**Exclusive benefits for international students:**

The Interstride app offers career insights and job postings for international students in the US. View current data on employer H1-B visa sponsorship, update your career preparation checklist, and more.
