

COMPLIANCE RISK MANAGEMENT: A COMPLETE APPROACH

Through a partnership between Pace University's Lubin School of Business and the Association of International Bank Audit and Compliance Professionals (AIBAC^{CP}), we're training professionals from around the globe to meet the rigorous demands of today's compliance risk management field.

The Certified Compliance and Regulatory Professional (CCRP[®]) program is a fully online, 80-hour comprehensive professional certification led by veteran compliance professionals from leading financial institutions, professional organizations, and top-tier academicians.

THIS CERTIFICATION IS ESSENTIAL FOR:

- Regulatory compliance professionals in all financial institutions and firms involved in global financial transactions.
- Other professionals in stewardship roles within an institution, such as internal audit, legal, risk management, finance, etc.
- Members of the legal, audit, and management consulting professions.
- Federal and state regulatory agency personnel.

/ Learn more at www.pace.edu/CCRP.

WHY INVEST IN RISK MANAGEMENT TRAINING

Organizations lose an average of \$4 million in revenue due to a single non-compliance event.

—GlobalScape.com

Organizations spend 15,000+ hours completing risk assessments each year.

—Ponemon Institute

Climate and environmental, social, and governance (ESG) regulations are set to change through 2026 and will soon be among the key regulatory issues affecting the financial services sector.

—S&P Global

BENEFITS OF THE CCRP® PROGRAM

- The CCRP® designation provides a respected credential in the market that sends a strong message to regulators that you have the skill set necessary to practice your profession.
- Our accomplished faculty and subject matter experts teach for the real world, enhancing your current knowledge and increasing your professional value.
- Our program's deep dive into multiple facets of risk management and our hands-on teaching methodology provides you with growth opportunities and well-positions you as a leader in compliance community.
- AIBACP membership provides immediate access to professionals representing international financial institutions, who are an excellent source of networking and continuing education.

ABOUT THE CCRP® PROGRAM

- **Curriculum:** The comprehensive curriculum covers all the latest aspects of both US and international regulation. Students enrolled in the CCRP® Program take courses in corporate governance, regulatory affairs, and developing and managing a company's compliance program.
- **Schedule:** The CCRP® program is offered solely online in a self-paced (asynchronous) mode. You can start the program any time and complete it based on your schedule.
- **Affordability:** Students enrolled in the program are eligible to apply for private student loans.
- **AIBACP Membership:** One-year complimentary membership upon program completion.
