

# Family Nurse Practitioner, MS 2024-2025

## OVERVIEW

The MS FNP is a part-time program that incorporates a blend of on-campus and asynchronous online coursework. In general, students will come to campus about 5-6 times per semester. Regarding clinical assignments, we encourage students to participate in the identification of a site prior to their clinical year. If they are unable to identify a preceptor, we will work with the student to make the arrangements.

# Family Nurse Practitioner, CGS 2024-2025

## OVERVIEW

The CGS FNP is a post-master’s certificate, designed for master’s prepared nurse. It is a part-time program that incorporates a blend of on-campus and asynchronous online coursework. In general, students will come to campus about 5-6 times per semester. Regarding clinical assignments, we encourage students to participate in the identification of a site prior to their clinical year. If they are unable to identify a preceptor, we will work with the student to make the arrangements.

The program spans 28-37 credits, a determination made by the Program Director through a gap analysis post-admission. Applicants who have completed the 3 Ps (Advanced Pathophysiology, Advanced Pharmacology, and Physical Assessment) more than two years ago may be required to either retake the relevant class(es) or undergo challenge exam(s).
